The **Top of the Line** in
PORTABLE
display systems sets with
NO TOOLS
and ships in wheeled cases
UNDER 100 lbs.

The AIR display

system was specially designed to be a sturdy, full-size exhibit that is easy to set up by hand and re-pack into Roto-molded Wheeled plastic cases that can ship via FedEx, UPS or other low-cost carriers, reducing labor, freight and drayage charges.

< ----- expand the standard AIR Display to create a full 20 foot wide booth! ----- >
