As a domestic and international leader in trade show and exhibit solutions for the past 20-years, **The Exhibit Source** (TES) of New England provides a complete selection of **portable-custom modular 3-D marketing**. Our inventory includes innovative and modern systems as well as creative **rental** properties for clients ranging from start-ups to Fortune 500 companies. TES also has excellent cost savings opportunities with a wide selection of **pre-owned displays**.

The Exhibit Source specializes in creating large-scale graphics that utilize color saturation and seamless designs, up to 10' dimensions. The Exhibit Source's **turnkey approach** factors in all aspects associated with cost and efficiency including graphics, show services, shipping, ease of installation, dismantle, and more for each marketing solution.
